

AGERATUM F1 HYBRID

Asteraceae

Significant blue annual mostly attractive when grown in box or pack. Tall varieties also fit for sunny or shady ground beds or borders and are suitable for cutting. Start growth regulation 2 - 4 weeks after transplant with Alar 2,5 g/l. Force up to 4 g/l.

A622 F1 'Packstar Rose' early pink flowers on a compact plant makes this ideal for pack production.

A910 F1 'Leilani', 40 cm, blue. A new medium-height variety, perfect for park beddings.

A045 F1 'Nordmeer' Imp., dark violet - blue, very compact habit.

A047 F1 'Packstar Blue', early, blue flowers, beautiful habit, long flowering season. Highly recommended.

A043 F1 'Packstar White', excellent white partner for 'Packstar Blue'.

A046 F1 'Red Sea', 60 cm, large, pure violet - blue flowers on strong, sturdy stems make this a good rear-border item or a cut flower subject.

A049 F1 Triploid 'Blue Horizon', 50 cm, first triploid Ageratum for cut. Produces cut flowers of an extraordinary quality. Very beautiful border plant also.

A041 'Weißer Schnitt', 60 cm, large, bright white flowers on sturdy stems. Excellent cut - Ageratum.
